

THINGS TO REMEMBER:

2016 FEES

Fees for all groups were set at the November budget meeting. All groups have a set term fee regardless of how many weeks in that term. Sessions affected by Public Holidays have been adjusted. Please pay all fees by week 4.

VERY IMPORTANT UPDATE — PLEASE READ

JLT Insurance have advised Gymnastics Australia that all gymnasts must be registered and insured with-in 30 days of attending to be covered by their policy.

This means that all families **must return their completed 2016 Membership Form by week 2**. Fees are to be paid by week 4 to allow our administration to meet the new requirements.

We regret to inform that gymnasts might be declined a session if we have not received your Membership Form or payment within this time.

WAIT LIST

Due to our lengthy wait list for both KinderGym and General Gym our waitlists remain closed. We will review the situation in March.
