

We can't believe that 2022 is coming to an end. Congratulations to everyone for a fantastic competition season! Thank you to everyone who has helped with our fundraising initiatives over the past year - your support is greatly appreciated.

Congratulations

Congratulations to Adam who is now a MAG Intermediate Coach. Adam sat the practical component mid-November and we are excited to see him and his gymnasts further progress.

Congratulations to Ryan who is now a qualified TeamGym judge. Ryan gladly volunteered his time to attend the course to ensure Gym West meets GSA's club requirements at GfA competitions.

Congratulations to our MAG & GFA gymnasts who performed at this year's Festival of Performance gymnastics! Each year we get such fantastic feedback on the event and this year was no different! We are glad to hear that both the gymnasts and their friends and family enjoyed the show!

Thank you to our Coaches

We would like to give a MASSIVE shoutout to our coaches who deliver professional and enjoyable programs to our gymnasts which have proven beneficial time and time again. Our coaches are the heart of our gym and the epitome of team players; always willing to lend a hand when necessary. We can not commend our coaches enough for the professionalism, dedication and empathy they show both in the gym and when they are volunteering hours outside of the gym. Their hard work does not go unnoticed by our members, staff and volunteers.
