Vision & Mission

Our vision is to provide the best professional training for all programs, abilities, levels and interests; promoting a challenging, safe, fun and inclusive environment. A club that is known for providing the best professional training and highest quality programs in the West of Adelaide. A club that strives for excellence and continues to exceed it's mission. Our mission

is for every person in our club; gymnasts, staff, coaches, volunteers and families to feel included, to express themselves freely and to have ownership of the club, giving a sense of belonging. To employ qualified coaches who safely deliver classes in a fun and inclusive environment for all children aged 0-18 years; and to foster resilience by providing challenges designed to allow gymnasts to explore their boundaries in an encouraging environment.

Thank you to the Coaches who attended GSA's Education Conference in January. Gym West appreciates the time our Coaches take out of their busy schedules for professional development.
