## WELCOME

to the start of Term 2, 2022!

Thank you for being flexible during our delayed start to the year but we hope you have settled in well. To our newest members joining us in term 2; we hope you enjoy your time with Gym West and are looking forward to the exciting term ahead.

## COVID UPDATE

We are just as excited as you that mask mandates are being eased; however, we want to do what we can to ensure the safety of our members. Please wear your masks when participating in KinderGym sessions or watching from the foyer.

## DROP OFF & PICK UP

Please ensure that you are dropping your gymnasts off in the foyer and picking them up at the side door. Most of our sessions are followed by another and picking your gymnasts up at the side door reduces congestion in the foyer.

## GYMNAST IN THE SPOTLIGHT

Our gymnasts are constantly impressing us not only at competitions but also within the gym. To recognise their achievements, we will be introducing a 'Gymnast in the Spotlight' to our social media platforms. Please ensure that you have notified us via RevSport if you are happy for us to include a photo of your gymnast. Please also ensure that your contact details are up to date as we often use RevSport for bulk communication.

## GSA AWARDS NIGHT

Congratulations to our GfA Program for winning the Gymnastics for All Active Participation Award at Gymnastics SA's award night.

# KINDERGYM

We are renowned for our KinderGym program which provides a safe and exciting indoor adventure playground for children aged 0-5. We have several vacancies across varying session times and would like to extend an invite to our current members and their siblings, family and friends! Head to the timetable on our website for details.

## THANK YOU

to everyone who took part in our Kyttons Easter fundraiser and KinderGym raffle. A very special thank you to those who donated prizes for the KinderGym raffle. Your generosity helped us raise nearly \$800!

## NEW FLOOR

With the recommendation and assistance from Mark Butler MP, Gym West was successful in securing a major grant through the Stronger Communities Grant Program to replace the sprung floor.

A BIG thank you to all involved in: Securing the grant – Tanya, Nick and volunteers removing and installing the floor – Bonica, Cameron, Denise, Jacque, Julia, Kasia, Paige, Sophia, Tanya, Velvet.

And of course Acromat, for their renowned product and expertise in helping the instalment process run smoothly.
