The \$100 discount is available to all primary school children aged 5-15 (Reception to Year 9). Sports Voucher Claim Forms are available at Reception. The term fee balance (minus the \$100 SV value) is to be paid in full as per the member's invoice, with the \$100 discount applied once Gym West has received the funds from the Department of Recreation, Sport and Racing.

Policies

GW has several policies which everyone must comply with, full details are available on the website, including our Member Protection and Child Safe Policies which cover issues such as:

GfA KinderGym Information Leaflet 2024

Information about Gymnastics for All (GfA) KinderGym is below. We hope you find this helpful and please do not hesitate to contact us if you require more details.

KinderGym provides a safe environment for children to develop skills in a fun and playful way at their own pace. It offers children aged 0 - 5 years old the building blocks to fundamental movement - ensuring they can experience a wide range of physical activities and be encouraged to think, create, construct and solve problems with their own bodies. While developing coordination and self esteem, KinderGym programs assist in every child's physical, social and cognitive development.

GfA KinderGym

This program is especially designed for 0 - 5 year olds, and is the starting point for a lifelong love of and involvement with sport.

The youngest athletes start their exciting gym journey in the 0 - 3 years old sessions.

KinderGym Junior caters for 3 - 5 year olds who like to be a little more independent while still sharing the experience with a trusted adult.

A Gymnastics Australia accredited KinderGym Coach guides each specifically written program, ensuring equipment set-ups are safe, stimulating and provide endless movement

opportunities for your child to play and learn.

KinderGym promotes the child as the key focal point and involves active participation of the child's parent/carer who also benefit from sharing in their children's enjoyment and learning.

What Follows After KinderGym?

Children can go straight from KinderGym to Gymnastics for All - GymMix, an exciting and highly successful program developed by Gymnastics Australia for 5+ year olds.

GymMix is non-competitive, challenging and builds on the skills learned in KinderGym. It extends these skills safely while having fun by providing a fundamental, sequential gymnastics program. All the details are in GW's GfA Information Leaflet.

What To Wear

Children must be comfortable and able to move freely and safely. To help with this they need to wear close fitting shorts or leggings, t-shirt, hair tied back and bare feet. Any child toilet training must wear a nappy/pull-up for hygiene reasons.

Parents/Carers should also wear comfortable and safe close fitting top and pants, hair tied back and have socked or rubber, soft-soled shoes. Sandals, thongs and high-heeled shoes are not appropriate footwear on the sprung floor.

Illness, Injury and Absence

If a child is unwell or injured, please do not bring them to sessions and risk their recovery and/or adversely affecting others. We understand children can be unpredictable and attendance may not be possible for a variety of reasons. While refunds are not given, make-up sessions within the same term can be arranged.

Yearly Membership

Membership must be renewed each year via our online membership database, RevolutioniseSPORT prior to commencement of activities. This is renewed annually.

What Other Programs Does GW Offer?

For 5+ year old children interested in doing competitive gymnastics, please see our MAG (Boys) or WAG (Girls) Information Leaflets at Reception or on the GW website.
